

## **DMW Ranks in the Top Quintile of S&P Corporate Sustainability Assessment**

**Paranaque City, Philippines, February 27, 2023** – As of February 2023, D.M. Wenceslao & Associates, Inc. (DMW) ranked in the top quintile in the real estate industry of the S&P Global Corporate Sustainability Assessment with an 88-percentile rank (100 being the highest), among a global universe of S&P-assessed real estate companies.

The S&P Global Corporate Sustainability Assessment (CSA) is an annual evaluation of companies' sustainability practices. It covers over 10,000 companies from around the world.

Sustainability is defined as meeting the needs of the present without compromising the ability of future generations to meet their own needs. We firmly believe that it is our collective responsibility to create a resilient and equitable world for future generations. As one of the biggest property companies in the Philippines, DMW strives to create city-scale real estate products which will contribute to sustainable local and national development. Our Five Pillars of Sustainability – Quality of Life; Environmental Stewardship; Good Governance and Ethical Business Practices; People-Centric Labor Practices; Economic Development – guide us in this mission. DMW's Sustainability efforts are discussed in detail in the Company's [Sustainability Report](#).
